Premium Passthrough Dishwasher – 500mm Rack W 750mm x D 750mm x H 1530mm

The Starline Premium Range are the most technologically advanced dishwashers in the Starline line up. They are built to deliver the best wash results alongside the latest enhancements such as advanced electronic controllers, enhanced filtration and thermal and acoustic installation to provide an optimal operating environment around the machine. Our assured rinse system ensures constantly great rinsing every cycle, while the soft start functionality protects your glassware and crockery.

With a powerful wash pump and the shortest cycle of 40 seconds the Starline AL is the perfect machine for fast paced kitchens that need a high powered machine designed to keep up with very busy operations.

Starline dishwashers have been made in New Zealand since 1981 and are engineered specifically for our unique local conditions and regulations. The renowned reliability of the machines is also backed by the most extensive service network and spare parts inventory in the country, ensuring that your Starline will not let you down.
